TRAINING PROGRAM

- SEAA is an Accredited Training Sponsor of NCCER.
- Take advantage of our endorsement to tap into materials for Structural and Reinforcing Ironworkers, Fabricators, Riggers, and Crane Operators.
- SEAA's US Department of Labor-approved Ironworker Apprenticeship Standard provides members a tool to create and register formal training programs that meet State and Federal requirements.

AISC DISCOUNT

- Did you know AISC will give erectors a 50% discount on their AISC membership, just for being a member of SEAA?

SEAA IS FOR YOU.
