SUPPORTING SAFETY, EDUCATION, TRAINING

This fundraiser golf tournament supports Craft Training Grants and other Safety and Education Projects. More than \$40,000 has been awarded in grants and for development of training videos. In addition, World Class winners of the Craft Training Excellence Award each receive \$1500 for future craft training programs.

In 2021, the annual tournament was renamed in memory of Dave Schulz, SEAA President (2019-2020), who was instrumental in organizing the event for many years. As Vice President of Schulz Iron Works, Dave was passionate about safety and was a big supporter of the SEAA/NCCER Ironworker Craft Training Program.

The Lonnie Poole Golf Course was designed by Arnold Palmer and the design team at Arnold Palmer Design Company. With views of the Raleigh skyline and the Centennial Campus, the course is consistently ranked as one of the best places to play, including making the Top 25 Best Collegiate Golf Courses in the US by Golf Advisor in 2023.
